JAN REAMING

Jan and I met at a gig played by a local band that I knew. I was with a load of my older rocker mates, when she walked up and began chatting to one of them. My eyes were drawn to her immediately and they wouldn't leave her. I could tell she was much older than me – maybe late 30s, or early 40s. Not that she looked old– she had an amazing figure and a stunning face – but she had an easy assurance

about her. The way she walked and spoke portrayed a confidence that she was at ease in her own skin – something that I had never experienced with girls my age. And although she dressed quite young (she was wearing leather jeans and a tee that night we met), she managed to pull it off without looking like mutton dressed as lamb.

After being introduced, we started chatting away and without us even noticing, our mutual mates melted away so we were alone. As the evening wore on Jan became more tactile, touching my arm for emphasis when making a point, laughing a bit louder at my jokes, her eyes twinkling at me, sexily. I wanted this woman.

The night flew by and before we knew it, last orders were being called; we had whiled away a couple of hours like it were mere minutes, and the attraction between us was obvious. It turned out she lived just up the road, so she invited me to hers for a quick 'coffee'. As we walked back, I admired her fit body: slim legs, a tiny waist and large boobs. She caught me looking, but simply grinned and hooked her arm through mine.

Once we arrived, she left me in the living room to sort out some music while she fixed us some drinks. I was perusing the back of a CD case when I heard a noise

IT'S LEIGH FOR ME!

Dear *Mayfair*,

As a reader of your great magazine (as well as other ones you publish such as Men Only) for over 10 years now, I've lost count of the gorgeous girls you've featured; there's been Tommie Jo, Hannah Claydon, Kelly McGregor, Danielle Maye and Michelle Thorne, to name just five, but the number one babe as far as I'm concerned has to be the delicious Nina Leigh! She is an absolute stunner with her suckable boobs, pretty face, lovely brown hair and eyes, and of course her lovely shaven pussy! She has to be the girl of the century – or decade at least! How I wish I were playing with her sweet pussy and boobs right now...

Andrew, Milton Keynes.

We know what you mean, Andrew – there's definitely something about our Nina!
– The Ed.

and looked up. Jan stood in the doorway, completely starkers, except for a pair of 6" stilettos, her long, dark hair cascading around her shoulders. Time had certainly been kind to her; she had the firmest, roundest boobs I had ever seen, pink nipples poking at me, and taut thighs that framed her dark, trimmed thatch. I must

have stammered something, because she strode up to me and pressed her finger against my lips.

Running a hand down my chest, she pushed me onto the sofa. She straddled me and sank down, her lips locking onto mine, and her tongue exploring my mouth, passionately. I felt like a kid in a sweet

shop and didn't know where to start, so I ran one hand over her tight arse and let the other squeeze and fondle each tit one by one, pulling on the nipples, making them harder still.

Jan could obviously sense that I was slightly overwhelmed because she fed one of her ample breasts into my mouth and I sucked on it like it was the first one I'd touched, enjoying the feeling of my tongue making her nipple hard, before gently catching it with my teeth.

My cock was straining to escape my jeans but she wasn't letting me free just yet, moving up my lap and pressing her cunt hard against my cock shaft, moving slowly up and down while she stripped off my T-shirt and ran her nails down my chest. Even through my jeans, I could feel the heat coming from her snatch, as we writhed together.

I had to get in that pussy, and she knew it. I pushed her off, stripped off the rest of my clothes, and pulled her back again. There was no doubt who was in charge as she squatted over me, immediately enveloping my cock in her hot, velvety pussy. Fuck, she knew some tricks! Moaning loudly with every stroke, she used her strong thighs to move herself up and down and to plough my cock as deep into her as she wanted. My hands grabbed at her full tits as they bobbed up and down in my face, and I ran them over her arse, occasionally dipping my fingertip inside her bumhole.

We both knew I would not last long if she continued at that pace, so Jan climbed off and explored my cock with her mouth, giving me the time to come down from the brink of climax. She nuzzled each of my balls before running her tongue up the length of my dick, her eyes locked onto mine the entire time.

She seemed to know when I was ready to restart, and moved onto her knees, inviting me into her delectable pussy. I smiled to myself, thinking that she couldn't blame me for trying, before closing my eyes and enjoying the feeling of my member disappearing into her dark, wet snatch. I began to pound into her, getting harder and faster with every thrust until her face was buried in a cushion and I could barely hear her muffled screams. Then I felt her body begin to shudder, and her pussy muscles clench tightly around my dick, so I knew she was coming. I pummelled her like a jackhammer and when she came, I could feel her juices gushing out around my cock.

After she had caught her breath, she moved onto the floor, legs spread wide. I needed no encouragement and moved down on top of her, penetrating her again as she grabbed my arse and pulled me in, building up a steady rhythm.

I couldn't help staring down at the wonderful sight of my cock sliding in and out of her juicy fanny, her legs wide apart. She moved her hand down and started to make little twitchy movements over her clit, her breath coming out in short bursts and her back arching as she got closer to coming. "Move up here," she gasped, "I want to taste you as I come!" I straddled her chest as she took my cock in her mouth and began sucking furiously. Her hand was still frigging away behind me, and I closed my eyes as I enjoyed the sensation of this woman frantically swallowing my length. Suddenly, the sucking stopped and I could tell by her muffled moans she was close to climaxing again. I held her head still as I continued to pump at her, fucking her mouth like it was a cunt, and started to spurt, my jizz filling her mouth as she recovered from her own orgasm. I wanked my shaft as I pulled out of her mouth, draining every drop down over her chin and face.

After my experience with Jan, I find myself eyeing up older women over younger ones, so I've obviously been converted! I'm a firm believer that things get better with age, and women are no exception!

Marty, Reigate.

SIMPLY PERFECT!

Dear *Mayfair*,

I've never written to you (or any magazine, in fact) before, but I was simply blown away by the pictures of the gorgeous Sarah that feature in your latest issue (49.03). From top to tail I can't think of a single way in which she could be improved, other than perhaps a far greater physical proximity to me. I love the last picture, where her pussy's facing away from us but reflected back in the mirror – please pass on my warmest regards to Sarah herself, and my congratulations to the photographer who shot her! Any chance of another look at Sarah in the near future?

Cheers!

Mike, Denham.

Yep, Sarah's quite a corker, isn't she? We'll definitely do what we can to get her back in the mag before too many moons have passed! – The Ed.

PC GONE MAD!

Being useless with pretty much all things electronic, I was in a state of dismay recently when my laptop started playing up. One evening, in the pub, I was moaning about it to my best mate, Greg, when he suddenly chirped up that it was most likely something simple and that I should drop it round for him to take a look. I immediately bought him another pint and we agreed that I would come by the next evening and let him have a fiddle with it to see what could be done.

I walked to Greg's with a six-pack of beer and sat out on his decking, lapping up the late afternoon sunshine while he worked on my laptop inside. He shouted something to me about drivers and filters but I had no idea what he was talking about.

After about twenty minutes, I went back in to grab another beer from the fridge when I noticed Greg was looking a bit sheepish. I asked if everything was OK and he nodded, "Yeah, it's all fixed mate. Told you it would be something simple."

Greg wasn't quite himself and I could suddenly see why. He had my laptop in front of him and had clicked onto a file simply titled 'Jennifer'. My wife's name. He was ogling around fifty snaps of my wife in various states of undress, and not just

"I DIDN'T KNOW HOW TO FEEL. MY BEST FRIEND HAD SEEN EVERYTHING MY WIFE HAD TO OFFER."

naked but sucking on my cock and playing with her pussy and nipples.

"Sorry mate, I just couldn't help it," he said, his face almost crimson. I was speechless; I just didn't know how to feel. My best friend had seen everything my wife had to offer. Jennifer has a wonderful body, soft full tits and long pink nipples. Her pussy hair is trimmed right back to show off her wonderfully large cunt lips that I just adore sucking on. She was gorgeous and I was very proud of her – sometimes I wished everyone knew just how lucky I was. But now, in the cold light of reality, I really didn't like the thought of Greg picturing my missus as he wanked off.

Well, the nation has spoken, and Emma Green, having bagged our Covergirl of the Year award at last year's Paul Raymond awards night, has only gone and pulled off the double whammy by securing the Girl Of The Year laurels as well! So how does the girl herself feel about all her accolades?

"Oh, I'm chuffed to bits!" she grins, her delectable Welsh accent giving her an even saucier air! "I'd love to thank all the guys who voted for me – you've really made this girl very happy indeed!"

Well we're sure all your fans will be delighted to hear it, but to be fair we suspect you've already made them even happier with your sets in mayfair. And as a special reward for all her fans, Emma – who's going to be a Mayfair regular now – has decided to make her poses a good bit saucier than before. So everyone's a winner!

◀ Continued from page 05

I thanked him for fixing my computer, got my things together and quickly left.

A week later, I bumped into Greg again in the pub and his face reddened when he saw me. I didn't really have anything I wanted to say to him and was about to leave when he thrust something into my hand. It was a shiny CD.

Greg shrugged. "Least I can do, mate," he said, and with that he left the pub. I looked at the disc and suddenly it dawned on me – Karen, Greg's long-term girlfriend. She was 28 and the type of woman everyone fancied: petite, with long legs, a heart-shaped face and beautiful blonde hair that ran down her back.

I hurried back home, fired up the laptop and slid in the disc. I was absolutely stunned when I realised Greg hadn't given me a disc of photographs at all. This was a DVD! A Greg and Karen homemade porn flick!

My stomach did a somersault. It had, of course, occurred to me that Karen might not want anyone else but Greg watching her sexual antics, but I couldn't help myself. It was just like Greg when he'd had to look at my wife's pictures; I couldn't look away.

I groaned and immediately began touching myself as the action began. Karen was sat on her sofa in nothing but a pair of white panties. She pulled and tweaked her long, pink nipples, smiling at the camera, licking her lips seductively as her nipples stiffened. She licked her own tits gently and slowly, murmuring softly, and then the camera panned down, following Karen's right hand as it settled on her crotch. She trailed a long, red fingernail along her hidden slit and then teasingly slipped a couple of fingers behind the material. She moaned and told me how wet she was, how much her pussy was aching for something big to fill it. By now, my cock was rock hard and in my hand. I was wet too, and I flicked my finger back and forth over the tip. It was a fantastic sensation and I kept imagining it was Karen's finger instead of my own.

Suddenly, the action changed. My heart skipped a beat because Karen was

THE PERFECT PUNTER!

Dear *Mayfair*,

My usual Paul Raymond title of choice has always been *Men Only*. However, having seen Emma Butt in the advert for *Mayfair* you feature in that title I just had to purchase a copy of *MO*'s sister title to check out those fantastic boobs. Naturally I was not disappointed, as both her boobs and her arse are a wonder to behold! This purchase was further validated by the appearance of two of my other favourite models from *MO*, namely Nina and Conny (who always looks like something out of *Downton Abbey* to me). On top of that, another girl who floated my boat was small-breasted Sarah, posing with a mirror in a similar style to the wonderful Louise Banks back in *MO* 75/11.

With another favourite of mine slated for the next *Mayfair* in Jenny Laird, I feel another double purchase coming on next month. Thanks for two great mags!

Ian, via email.

Cheers Ian – we do our best to make sure the two titles compliment each other without treading on each other's toes too much, but girls as pretty as Conny, Nina and Jenny definitely deserve an airing in both from time to time! Glad you liked Emma's boobs, too – they really are quite something, aren't they?
– The Ed.

making a sexy wet shucking sound.

Greg, who was obviously working the camera, kept zooming in for close up shots of her gorgeous snatch, the sticky love juice all too evident now, dribbling onto her creamy thighs, making me long to lap it all up. Karen then stopped fucking herself with the dildo and beckoned Greg over. The camera wobbled but he kept it focused as Karen got down on her knees and unzipped his jeans. A truly massive cock sprung out, at least nine inches of thick meat, and Karen licked her lips in

hard. I don't know how Greg stopped himself from coming because I was almost ready to blow my own trumpet all over the laptop's flimsy screen!

Thank goodness I didn't, because then the action changed once again. This time, Karen was on all fours with her literally dripping snatch on perfect display and her tight little arse poking up into the air, waiting to be serviced. The camera moved and Greg was suddenly behind her. A close up now of her puckered little bottom hole, glistening, and I knew it had been well lubed. Thank fuck for that, I thought, because I knew that Greg's massive cock was about to slide up it.

Karen gasped loudly and shouted, both in pleasure and in pain, as Greg eased his meat into her arsehole. It took him some time, and there was no way Karen could take his entire length, but he had a good portion of his dick inside as he slowly and gently began to move back and forth. Karen's tight cheeks looked fantastic with so much cock between them. Then he banged her hard and fast, really fast, until he had to pull out and shoot his jizz all over her bum cheeks. Then Karen appeared in front of the camera and said, "Have you come yet, Jack? Why don't you come on my face?"

And that's exactly what I was imaging doing as I shot mine!

Brian, Lincoln.

"SHE PULLED AND TWEAKED HER LONG PINK NIPPLES, SMILING AT THE CAMERA..."

holding a large white vibrator. She was fully naked now and she settled back as the camera panned out. Moaning loudly, she began to ease the ten inch length into her horny fuck hole. Her pussy was shaved completely and the lips were small and pink. I admired it as I wanked myself off, listening to her groans as those little lips eagerly swallowed the fat, fake, plastic cock. She breathed heavily a couple of times and then settled back into a decent rhythm, shagging herself harder and faster with the vibrator, her cunt

anticipation of it. With the filthiest, most wicked glint I've ever seen in a woman's eyes, she began to lick up and down the long shaft, making pleasurable little noises as she did so, which was an amazing turn-on.

She began to lick and suck the end, and now it was Greg's turn to moan with pleasure. Karen took as much as she could of him in her mouth and really relished sucking him off, spitting on his cock, groaning, licking it as fast as she could and then stopping to wank it really

Well I'll go to the foot of our stairs! Wouldn't you, if that's where the stunning Nicole Aniston was, peeling off and playing with her neatly trimmed spadger? Nicole's been wowing fans on both sides of the Atlantic with her gorgeous face, curvy bod and the occasional film appearance that only seems to have increased her allure, so we thought it was only fair we gave her a call and asked if she fancied being in *Mayfair*. And as you can see for yourselves, she did!

"Of course I'd want to appear in *Mayfair*!" she tells us, "It's one of the UK's legendary titles. I just hope that all your readers think I'm the right sort of girl to appear in it..."

Oh, we don't think you need to worry about that, love!

Here's a dilemma to be grappled with; stick a bloke in a room with a naked girl cavorting about next to a fireplace, and what does he start poking around at first? OK, so given that the fire isn't actually alight, and that the naked girl in question happens to be the stunning Natalia Forrest, we suspect we know which choice all buy the loopyest of pyromaniacs would go for!

"I should hope so too!" she bridled when we mentioned this to her. "I used to go out with an older guy who had an open fire in his house, and while it was nice snuggling up in front of it on a winter's evening, he didn't half spend a lot of time fiddling about with the bloody thing! I'll take central heating, if it's all the same with you!"

Hmm, with Natalia around, we don't think we'd require any sort of heating at all, thank you very much. If we couldn't keep each other warm the old-fashioned way, then there's something very wrong!

Well, we've seen plenty of weird and wonderful things on the top deck of a Routemaster bus over the years, but none of them comes close to being as wonderful as delicious Dana here! Of course strictly speaking you're not allowed to carry on like this on public transport, but when you've got a girl this horny, and a conductor who's a lifelong reader of *Mayfair*, and the bus is on it's last couple of stops of an early Sunday morning journey with nary a passenger in site... well, the opportunity's just too good to miss! Sadly, we can't claim to have, ahem, punched her ticket, but as topless London bus rides go, this one sure took some beating!

M

QUEST...

Some things are best kept under your hat, although luckily these ladies are more than happy to share their misdemeanours with you lot!

Beth moved into my shared student accommodation after getting chucked out of her last digs – well, at least she was honest about it! She said her ex-flatmates got fed up of her bringing different blokes home all the time. Well, being a bit of a self-confessed slapper myself, it didn't bother me one bit; screw those prudes, I told her, let's have some fun! At the time, I meant with the blokes we picked up but, as it happens, we've also been having a bit of fun together since

the first night she moved in. Once she'd dumped

all her stuff in her room, we both headed down the local pub to officially welcome her to the building. My other flatmates had gone home for the weekend, but it didn't matter that it was just the two of us. We had a good laugh, got bought loads of drinks (by flirting outrageously, which turned into a series of dares!) and got pretty hammered, but when I saw her snogging the face off some random bloke, I realised that I was actually knackered, and needed my bed. So, after saying goodnight, I left her to it.

When I got up in the night for a glass of water, I heard, what could only be described as fucking noises, coming from the living room. The door was open a crack and I couldn't resist sneaking a peek. I thought I'd see Beth going at it with her conquest, but instead she was alone on the sofa, naked except for the slutty high heels she'd worn out that evening, poking her own pussy with a little sex toy. She was watching one of my porn DVDs with the mute button on, but she was making more than enough noise to compensate! I'm not sure what prompted me to enter the room – it was simply one of those spontaneous decisions you make in life – but I'm so glad I did!

When I walked in, Beth visibly jumped, but didn't stop teasing her twat with the toy – not even when I sat on the floor near her. It turned out that the bloke had been a twat-teaser, too – he'd got as far as sticking his hands in her knickers when they'd gone out for a ciggie, but when she asked him home with her he'd bottled it, saying he had a girlfriend. She didn't seem at all annoyed – you win some, you lose some – but she was obviously frigging herself out of sexual frustration.

I'd never seen a toy like she was using before – she said she'd bought it on a trip to the States and pulled it out for me to take a closer look. It was still wet with her fuck-juices – they were virtually steaming off it! – and I felt like I could get drunk on the smell of her snatch.

"Mind if I try it?" I asked. She nodded and I sucked it clean

before slipping it in my own pussyhole, which was already moistening nicely from watching her. I controlled it for a couple of thrusts then she took over, and kissed me on the mouth. I felt heady, and seriously turned-on!

"My old flatmates got fed up of me bringing blokes back," she murmured, "but I think finding out I'm bi completely freaked them out!" I just kissed her even harder, exploring her mouth with my tongue, enjoying the softness of her full lips. I was almost disappointed when she broke free from my kiss, but only very momentarily, as she sucked on my tits a little, before licking her way further down my body, planting butterfly kisses until she reached my neatly trimmed bush.

Sucking on my clit, she found my hole with

her little dildo and began to thrust it in and out, causing me to thrash around like crazy underneath her – but she never missed a beat. I thought she'd make me come in that position, but Beth stopped fucking me as suddenly as she'd started, telling me to turn over so she could give my pussy a reaming from behind. Her tongue didn't stop its work,

weekly shop. While putting items into my trolley, I realised that the only thing I actually needed wasn't for sale. However, just because sex wasn't for sale didn't mean it wasn't on offer. When I spotted a guy giving me the eye, I gave him much more than he could have hoped for. "Can I give you a blow-job?" I asked.

"Here?" he asked, quickly looking round. The way he instantly accepted my offer had me wet within seconds. Even if nothing actually happened between us, the fact that I had made the offer to suck a random cock was going to make my next orgasm an explosive one.

"Not here exactly but somewhere," I said, looking round for a suitable spot.

"We could nip into the toilets?" my handsome stranger suggested, obviously keen to take advantage of my offer.

"We could," I agreed. The toilets seemed like a safe option.

"I'm Steve by the way." I didn't tell Steve my name, emphasising that this was going to be a one-off arrangement. We parked our trolleys against a pillar and then headed in different directions so as not to draw attention to ourselves.

"Ladies or Gents?" I asked, as we rendezvoused outside the toilet doors.

"I might get arrested if I'm found in the Ladies," Steve said.

"Gents it is," I said, pushing open the door, ready to offer a quick apology if there was someone using the facilities. I had a flash back from when I'd been fucked in another Gents, my pussy being pumped from behind as I hooked a knee up onto the counter by the wash

licking up and down my crack, her long blonde hair swishing against my arse-cheeks and lower back.

Suddenly, she flipped a switch on the toy and the most powerful vibration I've ever felt juddered through me. When she pressed it to my clitoris, I barely felt her slide two fingers into my fanny to wet them, and then slip them inside my arsehole. A second after that, I was coming so hard, I had to put my own hand over my mouth so as not to scream the place down!

I'm not sure where it materialised from, but Beth then handed me a small, pink vibrator, which looked particularly expensive. I spread her knees as wide as they'd go, and then pushed the toy into her juicy snatch. She was already so turned on but as I gave her clitoris a rub it

"TWO OF MY FINGERS WERE ALREADY BURIED DEEP INSIDE MY SLIPPERY HOLE BEFORE STEVE MANAGED TO DRAG HIS COCK OUT."

swelled up under my touch, making her groan just that bit louder. And the slightest touch of my tongue to her swollen nub made her go crazy! As she began to climax, she humped against my face and the vibrator, a completely new experience for me, but one I was instantly hooked on! As her sex-juices flowed into my mouth and down my chin and I lapped them all up, savouring the musky taste, I wondered how it was that I'd never been with a girl before, but knew I loved every second of it and this wouldn't be the last time I sucked Beth's tasty twat!

Beth and I are both very much bi – we've each had more than our fair share of cock since that night, but every so often we will share each other's bed. Not that our flatmates know, of course – our lezzie fun is something we keep to ourselves. We don't want them thinking we're going to jump on them, but equally, we don't want them joining in, either!

I'm really not a bad girl but 18 months into my first proper lesbian relationship I found myself obsessing about cock. The only time I had felt anything like the hunger I had for a portion of man meat was when I went off to university and experimented with being a vegetarian. I managed six months but ended my meat-free run in a spectacular Friday-night feast of burgers, kebabs and steak. Catherine did her best with a variety of sex toys but what I wanted was the real thing. I wanted a torrent of real spunk to fill my mouth when I gave a decent blow-job and I craved the physical heat that only a real cock could give my pussy.

Something broke inside me as I was doing the

basins. I squeezed my breasts as I remembered watching them bounce with every thrust in the mirror. It had felt so good. "Steve," I asked softly. "If I asked you to fuck me, would you?" I was already pulling up my skirt and my knickers were on display by the time he answered.

"Sweet Jesus!" he gasped, as I jumped up onto the counter and opened my legs for him. My knickers were so skimpy that Steve could clearly see my pussy even before I pulled them to one side.

"So, are you going to fuck me?" Two of my fingers were already buried deep inside my slippery hole before Steve managed to drag his cock out. I was so turned by the sight of a hard cock that I very

nearly came just from looking at it. My body remembered what it felt like to have a cock inside it and a phantom of that pleasure made my pussy flex as Steve stepped forward.

"Are you sure you want me to..." Steve asked, pausing. He was close enough that I could reach his cock, so I simply grabbed hold of it and pulled it into me.

"Argh!" I screeched, as hot flesh stretched my pussy open for the first time in nearly two years and a wave of pure sexual pleasure washed through me.

"You're incredible," Steve groaned. "Very beautiful and sexy."

"Just shut up and fuck me," I demanded.

"Make me orgasm before someone else comes in." That got Steve's attention. Where he had been going slowly and cautiously, everything became urgent and quick. It was hard to tell whether his motivation was to make me orgasm or get the sex over with as quickly as possible. His cock thrust right up into my pussy and he actually lifted my bum off the counter. "Oh God, yes!" I cried, clinging to him. I was cheating on my girlfriend but although I felt guilty and

disgusting, those emotions only seemed to provide further reward for what I was doing. Steve stopped, and then groaned. "Oh no," I sighed, as he started spunking inside me. After 18 months of waiting, Steve hadn't managed to last much more than 18 seconds. Just when I had finally got what I was so desperate for, Steve had taken it away from me.

"That was amazing," Steve told me.

He was right if only in terms of how disappointing it had been.

"I'll just stay and clean up," I said, as Steve zipped up and made a show of waiting for me. If he'd managed to wait for another 30 seconds when he'd been fucking me, I would have been much, much happier. I'd cheated and had all the guilt that went with that, yet I hadn't got what I needed. "It'd be better if we didn't leave together," I said dismissively.

"Oh yes, right," Steve said, giving me a knowing wink. I was still cleaning myself with a wad of toilet paper when the outer door opened.

"Still in here?" the guy said.

"Looks like it," I said, bitterly.

"Want to see a proper cock?" I wasn't sure what this guy had seen or heard but it was obvious that he knew what I'd been up to in the Gents. I shrugged, trying to look nonchalant but my insides were churning with renewed excitement. Two different cocks? The guy pulled at his jeans and exposed a lovely thick penis. "Bigger than your husband?" he asked. My stomach knotted. I had no idea why he thought

Steve was my husband. Had Steve been wearing a wedding ring? I hadn't stopped to look.

"Yes," I said, concentrating on the size of the cock waving in front of me.

"Want to see what it feels like?"

"Yes," I whispered. I really did. From the guy's expression it was obvious that he was expecting me to touch it with my hand or maybe my mouth rather than hop back

up onto the counter and spread my legs. However, he recovered quickly and had his prick touching the entrance to my hole before I had chance to think too hard about what I was doing. He eased it inside me with slow deliberation and when his prick was fully inside, I felt genuinely full.

"Feel better than your husband?"

"Oh God, yes!" I murmured.

"You dirty slut." A strangled moan escaped my lips. That's exactly what I was. How could I be described as anything else when I had taken two different cocks in less than 10 minutes?

"A dirty fucking slut," I agreed, pushing my fingers down to caress

my clit. The hit of sexual pleasure I got from touching my burning button was better than anything I could remember. Rather than risk another inadequate performance, I simply masturbated while this new guy fucked me. It was wonderfully wanton and selfish but I rubbed my slippery clitoris in search of the most powerful orgasm I could find, all the time being pounded by my new lover. My muscles started to cramp in preparation. "I'm going to come," I hissed, letting out a long deep moan as I teetered on the edge of the desperately-needed orgasm. "I want you to come inside me." The guy's face became a picture of lust and he pistoned a few urgent strokes deep into me before joining me in ecstasy. Our spasming bodies entwined. Complete strangers we might have been but we were sharing the most intimate of moments.

"I suppose you should be getting back to your husband?"

"Who?" I asked, genuinely puzzled. The guy roared with laughter, thinking I was making a joke of some sort.

"You're wonderful."

"Thanks." I actually felt wonderful. The broken something inside of me which had driven me to hunt out a cock had gone quiet. It was still lurking somewhere but for now it was satisfied and I could go back to my lovely lesbian life. If and when my desire for cock returned, I knew a safe way to satisfy it.

My name is Lisa and I have been married for just over a year. I am a tall brunette with an athletic build and as I have had a fair amount of suitors before Jack put a ring on my finger I guess you could say I am fairly attractive. My husband Jack and I have a great relationship, and from the first time I met him I knew I wanted to spend the rest of my life with him.

However, I had not met his brother Joe until the day of our wedding, where he was Jack's best man. I can still remember the shock I got

when I saw him standing beside my husband. I thought he was the most mysterious and exciting man I had ever met. Joe is taller than Jack, and has the same charisma as the classic movie stars.

When we returned from our honeymoon, Joe dropped by a few times and I could not help but to feel inexplicably drawn to him. I felt I sparked in his company, and somehow he made me feel sexy and important. Once we were married, Jack had slowly fallen back into his old bachelor ways - going out more with the lads and taking me slightly more for granted.

At first I felt a little angry, but when Joe bought an apartment nearby and asked me to help him with the interior, I forgot about it and put all my efforts into being close to Joe. As the days went by I became even more attracted to him and when my husband's brother finally made his

move on me it felt like the most natural thing ever.

I was helping finish the paint work in his living-room when he came up behind me and kissed me on the neck. As I turned to him he took the wet paint brush from my hand, and, putting it aside, pulled me into his arms. My body tingled all over as our lips met and my pussy throbbed with excitement as he bit gently on my lower lip before kissing me passionately.

I have to confess that not for one second did I think of Jack as I pressed my body against his brother and my thighs parted automatically as I felt the hard bulge in the front of his jeans pressing into me. We pulled at one another's clothes in a frenzy of lust and rolled to the floor in a tangle in our impatience to get at one another.

When I finally got my hands on his cock I was pleased and impressed by its length and girth. It was everything I had imagined it to be, and over the past months I had spent a lot of time fantasising about it. Joe's hands roamed freely over my body, sparking tingles of pleasure, especially when he began playing with my pussy.

I began stroking his shaft, enjoying the way it grew in my fist as I caressed his balls. Joe's fingers meanwhile rubbed gently at the pink folds of my labia, moistening my swollen petals as my pussy-juice seeped from its depths. I felt so aroused that I ached to taste him, and I slid my lips around his bulbous helmet and began sucking deeply while he continued frigging me.

My head bobbed slowly on his lovely cock, and I enjoyed the taste of his pre-come as I teased his manhood to full erection. Then Joe began circling my clit with his thumb and my pussy started to contract around his fingers, making me gasp with pleasure, which in turn allowed him to push his swollen shaft almost to the back of my throat.

I tilted my head back so I would not gag on Joe's plunging cock, and at the same moment I felt my legs begin to tremble as my pussy went

into spasm and I started to come. Joe withdrew his cock so I could enjoy the moment and he held me to him while I climaxed, gazing into my eyes so he could see the pleasure he had given me.

Rolling me onto my back, he sat astride me with his big prick poking upright against my shaven mound. I stroked it a couple of times before guiding it between my thighs and trying to wriggle my way onto it. Joe smiled, and, taking his cock in his hand, ran it up and down my wet slit until I was literally begging him to fuck me.

We were both laughing, enjoying the sheer pleasure of the moment, as Joe spread my legs wider and pushed his cock inside my throbbing pussy. I tightened my buttocks and thrust my hips upward to meet him as he thrust his cock further inside my hot, wet cunt. With my pussy muscles clenching around his firm shaft I arched my back, gripping tightly as he began shunting his cock in and out of my pussy.

The friction from his cock sawing in and out of my pussy felt delicious and on a whim I wrapped my legs around his back crossing my ankles so he could fuck me as hard as he liked. The floor was hard under me but I couldn't have cared less. My pussy was full of Joe's big cock and I was enjoying every thrust. As he began riding me harder and my orgasm approached, my nails raked his back and my breath came in gasps.

His cock thrust extra-deep now, pushing me further and further into ecstasy as thrills of intense pleasure rippled through my whole being. My body seemed to stiffen as Joe pulled his cock back to

my entrance, paused there for a moment then shunted back inside with force. My pussy muscles gripped him tightly, contracting around his plunging pole, until with one final thrust he filled me with his hot seed.

Gasping for breath, we fell apart, lying beside each other happily while we slowly regained our strength.

THERE'S £50 FOR THE LETTERS WE USE.

The world is greatly indebted to Cambridge for all sorts of wonderful things it's given us down the ages, from gravity (where would we all be without that, after all?!) to DNA (likewise) and the editor of *Escort* (erm, likewise?). But now there's a new export from the Fenlands all set to take the world by storm – super-cute *Mayfair* debutante Briony! So did she attend the august university herself?

"No, I'm afraid not! I just grew up in Cambridge, but I wasn't brainy enough to go to the Uni! And anyway, who'd want to go to a University in the same town as their parents live in? Talk about cramping your style!"

Good point, and now we've got the chance to admire your style properly from just about every angle, the last thing we'd want anyone to do is cramp it!

TIFFANY

Age: 30 Vital Stats: 34DD-24-34 5'1"
Photographer: BB Media

Oooh, we haven't seen naughty British minx Tiffany James in *Mayfair* before, which is rather inexcusable, but at least we're putting things right now! She's got the look of a right man eater about her, although with that ample helping of pink lettuce she's got on display, we can't help thinking there are plenty of men out there who'd very happily eat her – for hours and hours!

"There certainly are!" she exclaims. "As a matter of fact I've got one particular gentleman friend who does just that – and doesn't even want to fuck at the end! He just laps away at my pussy like some kind of demented dog, bringing me off time and time again, before finally wanking himself off! It seems a bit unfair to me, to be honest, but he seems happy enough with the arrangement – and I'm not going to complain!"

GENTLEMEN, That Reminds Me

Well this is the best we could muster, but if you think you can do any better, email us your efforts at: mayfair@paulraymond.com or send them to: Mayfair, 23 Lyon Road, Hersham, Surrey, KT12 3PU.

A lady approaches her priest one day and says hesitantly, "Father, I have a problem. I have two female talking parrots, but they only know how to say one thing."

"Really? What do they say?" the priest inquires.

"They only know how to say, 'Hi, we're prostitutes. Want to have some fun?'"

"That is terrible – sinful in the extreme!" the priest exclaims, "but I have a solution to your problem. Bring your two female parrots over to my house, and I will put them with my two male talking parrots who I have taught to pray and read the bible. My pious parrots will teach your parrots to stop saying that terrible phrase, and your female parrots will learn to praise and worship."

"Thank you!" the woman responds.

The next day, the woman brings her female parrots to the priest's house. His two male parrots are holding rosary beads and praying in their cage. The lady puts her two female parrots in with the male parrots, and the female parrots say, "Hi, we're prostitutes, want to have some fun?"

One male parrot looks at the other male parrot and exclaims, "Put the beads away. Our prayers have been answered!"

M

One evening a family brings their frail, elderly mother to a nursing home and leave her, hoping she will be well cared for.

The next morning, the nurses bathe her, feed her a tasty breakfast, and set her in a chair at a window overlooking a lovely flower garden.

She seems OK, but after a while she slowly starts to list sideways in her chair. Two attentive nurses immediately rush up to catch her and straighten her up. Again she seems all right, but after a while she starts to tilt to the other side. The nurses rush back and once more bring her back upright. This goes on all morning.

Later the family arrives to see how the old woman is adjusting to her new home. "So Mum, how is it here? Are they treating you all right?" they ask.

"It's pretty nice," she replies. "Except they won't let you fart."

M

Two women are playing golf on a sunny afternoon when one of them slices her shot into a foursome of men. To her horror, one of the men collapses in agony with

both hands sandwiched between his upper thighs. She runs to him apologising profusely, explaining that she is a physical therapist and can help ease his pain.

"No thanks... just give me a few minutes... I'll be fine..." he replies quietly, with his hands still clamped between his legs.

Taking it upon herself to help the poor man, she gently undoes the front of his trousers and starts massaging his genitals.

"Doesn't that feel better?" she asks.

"Well... yes... That feels pretty good," he admits. "But my thumb still hurts like a bastard."

A man finally retires from the stressful newspapers business and buys 50 acres of land in Vermont. His home is so isolated that the postman comes only once a week.

After six months of isolation, he hears a knock on the door. Puzzled, he opens it and a big bearded Vermonter is standing there. He says, "Name's Enoch... your neighbour from four miles over the ridge there. Havin' a party Saturday... thought maybe you'd like to attend."

"Great," says the man. "Be nice to meet some local folks. Thanks."

As Enoch is leaving, he stops. "Gotta warn you, there's gonna be some serious drinkin'."

"Not a problem."

"More 'n likely be some fightin', too."

Rough crowd, the man thinks. Not a problem. I can handle myself. "Don't worry, I'll be there. Thanks again."

"I've seen some wild sex at these parties, too."

"Now THAT is DEFINITELY not a problem!" the newspaperman says. "By the way, is the party informal or what should I wear?"

"Whatever you want. Just gonna be you an' me there."

M

Eddie was bragging to his boss one day, "You know, I know everyone there is to know. Just name someone, anyone, and I know them."

Tired of his boasting, his boss calls his bluff, "OK, Eddie, how about Kevin Costner?"

"Sure, yes, Kev and I are best mates, and I can prove it." So Eddie and his boss fly out to Hollywood and knock on Kevin Costner's door, and sure enough, Costner shouts, "Eddie! Great to see you! You and your friend come right in and join me for lunch!"

After they leave Costner's house, Eddie's boss admits that though he's impressed, he still thinks Costner was a lucky guess. He can't possibly know everyone.

"No, no, just name anyone else," Eddie insists.

"President Obama," his boss retorts.

"The president," Eddie says. "Sure. We're besties. Let's fly out to Washington."

And off they go. At the White House, Obama spots Eddie on the tour and treats them to a slap-up meal.

Well, the boss is very shaken by now, but still not totally convinced. After they leave the White House grounds, he expresses his doubts to Eddie, who again implores him to name someone else.

"The Pope," his boss replies.

"Sure!" says Eddie. "I've known the Pope a long time."

"God, some people! First bit of warm weather..."

So off they fly to Rome. Eddie and his boss are assembled with the masses in Vatican Square when Eddie says, "This will never work. I can't catch his eye among all these people. Tell you what, I know all the guards so let me just go upstairs and I'll come out on the balcony with the Pope."

Sure enough, half an hour later Eddie emerges with the Pope on the balcony. But by the time Eddie returns, he finds that his boss has had a heart attack and is surrounded by paramedics.

Elbowing his way to his boss' side, Eddie asks him, "What happened?"

His boss looks up and says, "I was doing fine until you and the Pope came out on the balcony and the man next to me said, 'Who's that guy standing on the balcony next to Eddie?'"

TORI

Photographer: Twistys

It's always rather nice to get a bit of porno royalty into the mag now and then, and Tori Black's got to be one of the biggest names in the business! And with a bum like that on her, it's not hard to see why...

"Ah, you noticed my ass did you?" she grins. "Yes, it's probably my favourite feature – a lot of guys I date seem to like it pretty well too!"

We bet they do! But it must be hard for a girl to appreciate the shapeliness of her own bum, surely!

"Well that's the great thing about being in this business – with people taking pictures of it so often, I can't help but know what it looks like. I can't imagine what it'd be like not knowing, frankly!"

Quite a relief for most of us!

MAYFAIR Movies

Hi-Ho, it's off to the smutface we go for another round-up of the filthiest flicks to hit the shelves these last few weeks. If these don't float your boat, then quite frankly it's time to think about calling it a day...

**Editor's
PICK**

SNOW WHITE XXX: AN AXEL BRAUN PARODY

Wicked

CAST: Jessica Drake, Riley Steele, Katie St. Ives, Ash Hollywood.

What a fine, manly name is "Axel Braun". I wonder if the director of this big budget adult feature was born with it, or changed it from Chassis Philishave or something else that sounded slightly less macho when he got into porn. No matter. That's what he likes to be called and we should all respect that.

Mr Braun sticks closely to the original folk tale, not the Disney version. Perhaps this is why I was slightly bemused by the number of characters I didn't recall. Then again, if they'd worked it on that basis the only female talent would've been Snow White and The Wicked Queen (in or out of old crone mode).

Hence the presence of the Wicked Queen's consort, the King (Alec Knight). It's his birthday, and he is gifted forest spirits Ash and Katie to please him despite his oath to never touch another woman but his missus. So much for his pledge. His Maj lets fly a truly spectacular spunk shower which sprays all over Katie's back and arse and his groin and the floor and Ash's leg and... Well, put it like this: there is one really alarming moment when you think King Alec's sac and shaft are completely, uncannily out of control – and worse – that Alec thinks so too. But eventually the flow dwindles to a gentle, manageable dribble, and all is well.

As the Disney version's un referenced, there are very few songs about diamond mining and hardly any yodelling, but what there is plenty of is stunning looking splashers like Jessica Drake getting seen to good and proper, and do you know what – I think I prefer it that way.

His Maj lets fly a truly spectacular spunk shower which sprays all over Katie's back...

LESBIAN PLAYMATES 2

CAST: Henessy, Candy Sweet, Dorothy Black, Mira Sunset, Gina Gerson, Savannah Secret, Athina, Alexis Brill, Ria Rodriguez, Diana Sky.

For a moment there I thought the DVD cover read *Lesbian Playdates 2*, which would have been disturbing and most probably illegal. But it's just that my eyes are beginning to go. It happens to all of us and there is no avoiding it. If you wank at the rate we film reviewers have to, you're lucky if you're not completely blind before you turn 40.

This said, there is plenty to help the old ocular degeneration along in this typically fine quality Viv Thomas lesbo release, with Europe's sexiest young women (who will hire themselves out to make porn flicks) getting stuck into each other with a perfect mixture of tantalising sophistication and sheer gritty gusto. Tongues loll and lick and pussies grind together, with the cast all changing partners, barn dance do-ci-do style, and even indulging themselves in threesomes.

Other themes include knockers worship with various girls throwing

★★★★☆

themselves down in supplication before other girls' even mightier bristols, and dainty little costumes which accentuate the girls' heart-breaking, languid beauty. There are no storylines unless you count a slumber party where none of the girls sleep, or a lass who is frigged with another stunner's foot.

Lord, I wish I was a lesbian. (There I finally said it.)

★★★★☆

Digital Playground

DESERT HEAT

CAST: Courtney Taylor, Stevie Shae, Riley Reid, Kendall Karson, Leya Falcon, Rikki Six.

At last, a sparkingly original storyline for a film. As they do every year, eight college students visit an empty-ish motel in a desert town to have wild hardcore sex, only this time... wait for it... a deranged serial killer has shuffled into town with his pizzle hanging out of his zip and is picking the screaming teens off one at a time, and, of course, cackling quietly each time a dead shagger takes a dirt nap.

Highlights include stunt-cock Keni Styles being murdered after enjoying the very finest of a ride with sex siren Rikki Six in a truck. Rikki has been wriggling around flossing her arse with her thong half-roads up her crack while being hammered in doggie, cowgirl, reverse cowgirl and inverted ranch-hand, so when Keni blows his load all over her arse, clambers out

of the truck and gets horribly killed at the hands of insane drifter Tommy Gunn, Rikki is understandably upset and runs away from the madman, crying "Squeel!", her pert young tits swinging. Phwoar.

Then there's the sequence where Tommy kills the hotel maintenance man, and, in a tragic case of mistaken identity, poor feckless young college girl Leya Falcon starts sucking him off in the belief that he's the bloke who fixes the windows and the plumbing. Evil Tommy drains his balls all over her face and Leya cleans him off. But that doesn't stop him from attempting to kill her afterwards. He's stark staring mad remember.

Triple XXXcellent.

Private

THE LONG DICK OF THE LAW

CAST: Gina Gerson, Doris Ivy, Michelle Moore, Sophie Lynx, Lana, Leda.

Things were never like this back when I was Chief Constable of the Metropolitan Police. Interrogating female suspects by knobbing them, even in the context of a high profile enquiry into the murder of a wealthy playboy (as distinct from a penniless one with the arse hanging out of his smalls) would never have been condoned by any of the officers under my command.

Consequently I am lobbying the Met to form a task force to discover how young Euro-babes Doris Ivy, Lana S, Leda, Michelle Moore and Sophie Lynx were each subjected to (one moment; I have it written down in my little police notebook here) "bum sex" by detectives seeking clues in the baffling death of this over-sexed former man about town.

I should also be grateful for a statement from the current Chief Constable (whose name I forget) with regard, firstly, to the two threesomes involving serving police officers and their possible

★★★★☆

involvement in the oily wrestling match scene which sees two rather fit looking girllies slithering all over each other in Spray Crisp'n'Dry or some-such.

I will be making a statement myself later in the evening on YouTube after I have calmed down and hidden all the paper tissues I have filled watching this filth from my mum.

VICKY

Age: 26 Vital Stats: 32D-25-33 5'8"
Photographer: APD Nudes

Hello hello – what's this? That's right – only another brand new British babe making her *Mayfair* debut, that's what! Vicky here hails from Cambridgeshire, and although this is her first ever shoot for us, it turns out she's been modelling on and off for a couple of years now...

"Yes, I got into it when I was a student – a couple of my friends were doing photography courses, and they were on the look-out for someone to do some artistic poses for them. I'd never really imagined myself doing anything like that, but when the shoot was all finished and I looked at the pictures they'd taken, I was hooked! Since then I've worked with plenty of photographers and I love the way they each bring their own ideas to the studio!"

Hmm, well good for you – and we might add that these pictures have certainly given us a few ideas of our own as well!

MAYFAIR
Classic

LOULSE

When many girls are just making their weary way home after an evening's nightclubbing, 20-year-old Louise Parker is thinking about getting up for a day's work. 'Being a farmer's daughter certainly has its disadvantages,' she said in her soft West Country burr. 'But I love it really.'

So farmers' daughters used to rove the countryside clad in dungarees, did they? We're not entirely sure how true that is, even given that this set appeared way back in 1987. Let's face it, (albeit rather large) mobile phones were appearing on the scene by then, and the era of country bumpkins walking around in smocks and dungarees was long gone. Still, we dare say Louise would have looked grand whatever she chose to wear – especially if it was nothing at all!

Louise works on her father's farm in a small village outside Exeter, and her sexy 34-22-35 figure is usually covered with an unflattering pair of dungarees. 'It is a dairy farm so we have to be up at the crack of dawn for milking. That's why I don't often go out to clubs. But on the other hand, what could be more fun than climbing into a haystack with someone special on a summer night?'

MAYFAIR Classic

Is there anyone special? 'Not at the moment. I'm far too young to get serious. Besides, in a year or so I will probably go to agricultural college to learn about running the farm properly. It is all quite technical these days, and as I don't have any brothers, I want to carry on the family tradition.' Louise does not get much free time, but when she does she really lets her hair down. 'Because I don't get to discos very often I tend to go wild when I do.'

MAYFAIR

Vol.51 No.04

On April 1st

We know – April the first is noted for its silly pranks, but allow us to assure you we're not joking here – these two stunners will definitely be appearing in the magazine that's out that day – alongside plenty of others! While other publications might like to try and fool their readership, you can rest assured we can be relied upon to deliver the naked truth, month after month!

Plus: Look out for Mayfair Lingerie Special No. 30 – In the shops now!
